

SIA Close Protection

Level 3 Certificate for Working as a Close Protection Operative within the Private Security Industry

Course Description

The Level 3 Certificate for Working as a Close Protection Operative within the Private Security Industry is a qualification for individuals who work or would like to work as Close Protection Officers. It is based on the SIA Specification for Learning and Qualifications for Close Protection Operatives and in Conflict Management 2014. Successful completion of the qualification enables learners to apply for an SIA licence in Close Protection.

Who should attend?

English Language: Security operatives are likely in the course of their work to be required to make calls to the emergency services, or need to communicate to resolve conflict. It is essential that security operatives are able to communicate clearly.
