

Security Screening & Vetting

Award in Vetting Skills (Security Screening Programme)

Course Description

The importance of effective screening within the security business sector is paramount. It is a fundamental requirement for those wishing to comply with BS7858:2012 and other industry codes of practice, to operate a stringent pre-employment vetting system. Skills for Security offers the Vetting Skills programme for administrators and Vetting Controllers who wish to fully understand the screening process.

Who should attend?

Screening personnel and other Human Resource professionals with screening responsibility.
